

## Assembly

## Component

## Especificaciones técnicas

|                      |                                |  |
|----------------------|--------------------------------|--|
| Aplicación:          | To fix solar panel frame T30mm |  |
| Especificación (mm): | L50                            |  |
| Peso unitario (kg):  | 0.063                          |  |
| Material             | AL6005-T5                      |  |
| Tamaño (L X A X H)   | 40 x 50 x 15 mm                |  |
| Tornillo (H)         | 65 mm                          |  |
